LMIG Funding

Pre HB 170 and FY2017 Comparison

COUNTY	CITY	Pre HB 170 LMIG FORMULA AMOUNT	2017 LMIG FORMULA AMOUNT
BERRIEN	(UNINCORPORATED)	\$ 526,427.98	\$ 686,181.05
BROOKS	(UNINCORPORATED)	\$ 478,778.63	\$ 624,994.86
COLQUITT	(UNINCORPORATED)	\$ 785,527.19	\$ 1,021,645.87
COOK	(UNINCORPORATED)	\$ 315,776.99	\$ 416,639.63
LANIER	(UNINCORPORATED)	\$ 194,428.28	\$ 253,368.67
LOWNDES	(UNINCORPORATED)	\$ 801,155.64	\$ 1,050,678.58
LOWNDES	VALDOSTA	\$ 439,649.81	\$ 566,158.69
THOMAS	(UNINCORPORATED)	\$ 565,810.31	\$ 738,019.62
TIFT	(UNINCORPORATED)	\$ 502,129.21	\$ 654,698.34
	TOTAL	\$ 4,609,684.04	\$ 6,012,385.31

LMIG Project: School Access

Colquitt County: Darbyshire Road Extension

Total Cost \$743,000

LMIG Funding \$300,000

LMIG Project: Economic Development

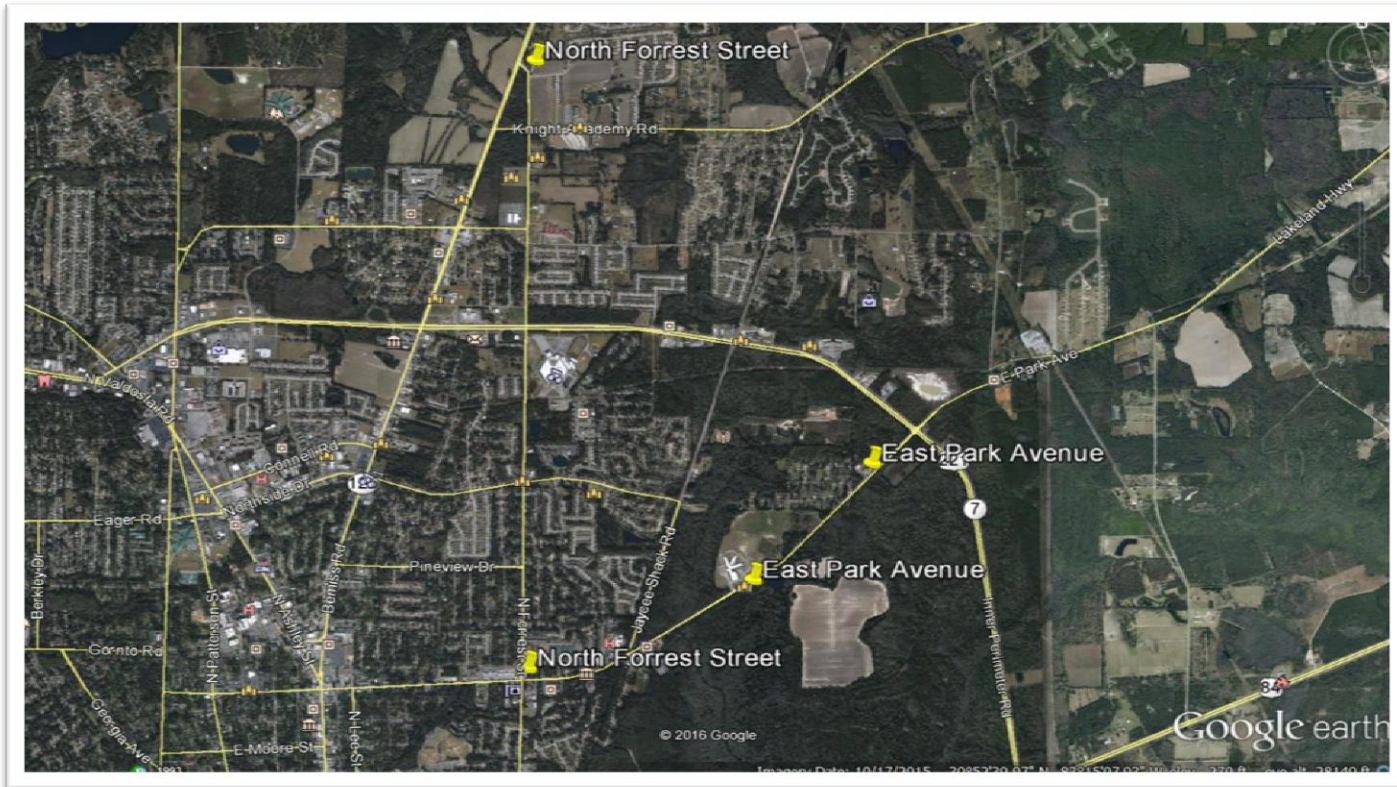

City of Tifton: Hunt Road Extension

Total Cost \$518,000

LMIG Funding \$185,000

LMIG Project: School Access

Lowndes County: East Park Avenue at the Newbern Middle School and Scintilla School; Reconstruction and addition of turn lanes

Total construction cost = \$1.2 million

LMIG Funding = \$500,000

LMIG Project: Economic Development

Lowndes County: Widen 1.5 miles on Old Hwy 41 from a two lane roadway to a five lane roadway

LMIG Funding = \$750,000

Off System Safety Program

- The OSS program is an effort to reduce the severity and frequency of crashes on off system routes.
- Total Traffic fatalities in Georgia as of 10-12-16 was 1161 including 422 on the local road system.
- Program focuses on low-cost countermeasures to improve safety on local routes
- Work includes striping, sign replacement, rumble strips, raised pavement markers and minor intersection improvements.

Progress of OSS Program

Lowndes County: Signing and Striping Project
37 miles on 11 County Roads
Total Cost \$170,000

Quick Response Program

- A mechanism to quickly identify, approve and construct small traffic operational projects on the state route system.
- This process allows each District Engineer the ability to quickly identify a needed project, solicit bids and then award the project to the lowest bidder with state dollars.
- Georgia law has been revised to allow the cost of a negotiated contract to increase up to \$200,000 which has greatly improved the flexibility of the program.
- Built within the existing right of way and typically no utility conflicts
- QR program received **\$15 million** in the FY 2016 Supplemental Budget and received **\$22 million** in the FY 2017 budget

Progress of Quick Response Program

Tift County – Right turn lane and widen median opening at SR 520 and Ty Ty Omega Rd.

Total cost = \$101,000

Progress of Quick Response Program

Lowndes County: I-75
south bound ramp
additional turn lane.

Total cost = \$150,000

Progress of Quick Response Program

For more information...

The screenshot shows the Georgia Department of Transportation (GDOT) website. The top navigation bar includes links for Home, About GDOT, Board, Employment, Contact Us, and Site Map. A search bar is located on the right. The main content area features a blue header with the 'TravelSmart' logo and navigation tabs for Drive Smart, Partner Smart, Build Smart, and Invest Smart. Below the header, a sidebar on the left lists various transportation funding programs, including Airport Aid, Georgia Freight, Grants & Funding Programs, Rail, Statewide Strategic Transportation Plan (SSTP), Statewide Transportation Improvement Program (STIP), Transit, Transportation Funding, Projects, and Waterways. The main content area is titled 'Transportation Funding Act - GAroads.org' and features a large banner with the text 'Your Dollars Building A Better Georgia' and a photo of a construction worker. To the right of the banner is a 'Transportation Funding Act Project Search' section with a magnifying glass icon and a 'View Projects' button. Below the banner, there are five icons representing different transportation projects: Construction Project Forecast, Consultant Acquisition Forecast, Routine Maintenance Activities Forecast, Freight, Mobility, GRIP, and Projects.
